WCT not only provides MYOB products and services but also supplies media services via ClipCube Media (www.clipcubemedia.com). Whether it is redeveloping or managing your website, Facebook marketing and management, lead generation, newsletter/email development and distribution or video production, we can help you not just control your business but develop it to build new business and communicate with existing business. Our multilingual capability makes allows us to be a global partner, just as we have been for small local and international companies like Chang Beer, Fuji, DD Fitness, Presmanns, May Bank, and many more.

Are you interested in Business Growth?

Are you bored in investing in staff training, hoping to get something out of it for the company? I am. I hope that my staff remember at least 20% of the course and use the knowledge. SO, how do you feel about having your staff attend a course where they produce an actional plan with clear objectives, market and competitive analysis, financials, adnactionable tasks to implement the plan for Business Growth with a mentor to support them. If this makes sense to you have a look at our 6 session Business Growth Catalyst program facilitated by real business people. A program designed for business people, by business people, associated with Europe's leading Business Schools, actively run across Europe, adapted for ASEAN and commissioned, evaluated and approved by the European Commission.

GET A BOTTOM LINE RETURN ON YOUR INVESTMENT.
